

Duration:	10 weeks
Course:	Music Communities
Instructor:	Demetrius Nath

Course Objective: This course will help students identify music specific opportunities that may exist within their own backyards & communities. Focus is heavy on the entrepreneurial aspects of creating your own path, finding the right collaborators & funding, which will eventually lead to the birth of a viable & profitable business idea.

Bio: Demetrius is the founder of the not-for-profit initiative Mississauga Music, showcasing the best from Mississauga’s music community. Curating & organizing Mississauga Music Awards & Week working alongside community partners such as the City of Mississauga, Mississauga Arts Council, Metalworks Studios, The Rec Room & others.
